CRYSTAL CLINIC ORTHOPAEDIC CENTER WELCOMES JORDAN ETSCHIEDT, M.D.

Orthopaedic surgeon is accepting new patients at Crystal Clinic's Canton, Wadsworth locations

FAIRLAWN, OHIO, SEPT. 2, 2020 – Orthopaedic surgeon, Jordan Etscheidt, M.D., has joined Crystal Clinic Orthopaedic Center's Canton and Wadsworth locations. He is accepting new patients.

Dr. Etscheidt is a board-eligible, fellowship-trained orthopaedic surgeon specializing in knee and hip replacement surgery. He graduated from Case Western Reserve University School of Medicine in Cleveland. Dr. Etscheidt served his residency at the University of Michigan Hospital System in Ann Arbor, and completed the Otto Aufranc Adult Reconstruction Fellowship at New England Baptist Hospital in Boston, Massachusetts.

Dr. Etscheidt's expertise includes robotic- and computer-assisted hip and knee replacement, muscle-sparing anterior approach hip replacement, less invasive partial knee replacement, complex revisions of failed hip and knee replacements, and rapid rehabilitation protocols for hip and knee replacement. He has been a physician since 2014.

In 2019, Crystal Clinic opened the Canton location, at 4466 Fulton Dr. NW, to bring its Nationally-Renowned Orthopaedic Care™ closer to patients in Stark County and surrounding communities. Outpatient services include assessment, treatment and post-surgical care for the entire range of orthopaedic conditions, the expert care of Crystal Clinic Plastic Surgeons for cosmetic and reconstructive procedures, and non-invasive cosmetic treatments for the skin, face and body. Crystal Clinic QuickCare is also available at the Canton location to provide immediate care for orthopaedic and sports-related injuries.

Crystal Clinic's Wadsworth location, at 323 High St., Suite C, provides outpatient assessment, treatment and post-surgical care for all types of orthopaedic injuries and conditions, along with physical and occupational therapy to help patients relieve pain, regain range of motion and return to daily activities.

For more information about Crystal Clinic Orthopaedic Center or to schedule an appointment with Dr. Etscheidt, visit CrystalClinic.com or call 330-668-4040.

About Crystal Clinic Orthopaedic Center

Nationally renowned for orthopaedic care, Crystal Clinic Orthopaedic Center is a physician-owned, orthopaedic specialty hospital system with board-certified and fellowship-trained orthopaedic surgeons who perform more than 17,000 surgeries each year. With locations throughout Northeast Ohio, Crystal Clinic Orthopaedic Center is the only hospital in Ohio, and one of just 13 out of the 6,146 hospitals in the nation, to earn prestigious Joint Commission Certifications in total hip, total knee, total shoulder, and spinal fusion procedures. The hospital is among the Top 10% in the United States for Major Orthopaedic Surgery, Joint Replacement, Spinal Surgery, Overall Surgical Care and Overall Hospital Care in ratings of America's Top Quality Hospitals by CareChex/Quantros Analytics. Crystal Clinic has also earned a five-star rating in patient experience from the Centers for Medicare

and Medicaid Services. Crystal Clinic Plastic Surgeons, a division of Crystal Clinic Orthopaedic Center, are experts in treating soft tissue defects related to orthopaedic injuries and provide the entire spectrum of plastic surgery – from reconstruction to cosmetic procedures.
