CRYSTAL CLINIC WELCOMES WILLIAM SCULLY, MD

AKRON, OH – Crystal Clinic Orthopaedic Center is pleased to announce the addition of William Scully, MD, to its Cuyahoga Falls, Hudson and Streetsboro locations. He is currently accepting new patients with office visits beginning on Monday, August 6, 2018.

Dr. Scully is a board-certified, fellowship-trained orthopaedic surgeon specializing in hip and knee joint replacement surgery. An Ohio native, he graduated from Georgetown University School of Medicine. Following his orthopaedic residency at Madigan Army Medical Center in Tacoma, WA, Scully continued his military service in the U. S. Army as a staff orthopaedic surgeon, deploying to Afghanistan in support of Operation Enduring Freedom. He completed his fellowship training in adult reconstruction orthopaedics at Cleveland Clinic Foundation.

Scully's expertise includes specialty training in anterior and minimally invasive posterior hip replacement, complex and revision hip and knee replacement surgery, robotic hip and knee replacement surgery, and partial knee replacement surgery. From his prior U.S. Army service, he also has gained considerable experience with knee and shoulder arthroscopic surgery, to include ACL and meniscal surgery, rotator cuff repair and shoulder labral repairs, as well as orthopaedic trauma surgery. Scully has been a physician since 2008.

About Crystal Clinic Orthopaedic Center

Crystal Clinic Orthopaedic Center (CCOC), a physician-owned, major orthopaedic specialty hospital located in Northeast Ohio, serves patients throughout Ohio and contiguous states who are in need of care and treatment of conditions affecting the musculoskeletal system, including bones, joints, muscles, tendons, skin and related tissues as well as plastic surgery care. Our board-certified surgeons have decades of experience and perform more than 15,500 orthopaedic surgeries each year. CCOC is consistently recognized for providing outstanding patient care. The Centers for Medicare and Medicaid Services (CMS) has awarded CCOC a five-star rating for Overall Hospital Quality, the only orthopaedic hospital to receive this rating in Northeast Ohio. CareChex®, a division of Comparion Medical Analytics, named CCOC #1 in Northeast Ohio for Spinal Surgery and Joint Replacement and #10 nationally for major orthopaedic surgery in its ratings of America's Top Quality Hospitals in 2016. The Joint Commission has awarded CCOC with Disease-Specific Care Certification in total hip, total knee, total shoulder and spinal fusion procedures, the only hospital in Ohio to earn the Joint Commission's gold seal in all four orthopaedic areas.
